Dear Dave:

We want to thank you for building our beautiful home. We are very proud to tell our friends, family and associates that Cannon Construction does stand behind their word in designing a custom home. We appreciate your patience and efforts to please us and work through some difficult communication issues that arose.

Your taking the time to clear the driveway after the blizzard was very much appreciated. Not many people can say their builder came to their rescue after a blizzard! Your help in removing the snow so Cheryl could get out of the driveway was a very timely blessing. We are proud to say we live in a city that still has caring people--like you. Your kindness and support at that time will not be forgotten. Thank you very much.

Sincerely,
