

Hi Dave;

I just want to take a moment to express our thanks to you for everything you did for us over the past 10 months. I know at times things didn't seem too pleasant, and I want to let you know how much I appreciated your kindness and professionalism throughout the course of building our home. You were always very willing to work out any problems. We are very happy and still feel we purchased the right home from the right builder. We wish you the best of luck in the future. I'm sure with a good realtor like Chuck, you will have excellent potential for future clients. We hope you and your family have a very Merry Christmas and a Happy New Year and we look forward to seeing you again. Thanks again. Take care.

Yours truly
Mark + Cathy Greenwald
