Dear Dave:

We just wanted to let you know how happy we are with our house. This is our third custom build home, and by far the best done. We are extremely pleased with you and your people. John Kimsey does a great job of representing your company. We were also very impressed with Ric. He did a great job of taking care of the final details. We also noticed how clean the house was during construction and after we closed.

If we ever build again, it will be with Cannon Construction. Again, thank you for a great building experience.

Sincerely,

Brian and Kelly Thalken
